## CHARGE OF ARSON AGAINST KANNADY

Authorities Understood To Have Virtual Confession from Man Accused Of Burning Barns

### GRILLED AT JAIL TODAY

Kannady Alleged To Have Admitted He Was In W. A. Norris Barn Afternoon It Was Destroyed

A charge of arson was filed this afternoon in the circuit court against Thomas Kannady, the man who was chased for a week through the southern part of the county by members of the Horse Thief Detective Association, and finally located in the barn on the Brannam farm near Homer. Kannady first gave his name as Kinney.

The charge was filed by Milton Simmons, special investigator from the state fire marshal's office, following rigid examination of the prisoner this morning in jail, by Mr. Simmons and the Sherman Davis, attorney from the fire marshal's office.

The specific charge set out in the affidavit is for the alleged burning of the barn located on the W. A. Norris farm, October 22, which was valued at \$2,500. The barn burned in the middle of the afternoon.

The investigators assert that they have a virtual confession from the prisoner, and that he has acknowledged that he was in the barn on that afternoon, started a fire and roasted a chicken. It is said that the man is not demented, but had an inclination to hang around barns.

It is understood that several mysterious fires took place during the last two months in this county, and that the state fire marshal's representatives will investigate further in attempt to ascertain the causes.

It will be recalled that the man in jail was first turned over to the county officers two weeks ago when he was seen acting strangely on the J. M. Amos farm, and as he was then believed to be demented, he was turned over to the county poor farm for lodging.

He escaped during the night, and could not be found on Saturday. The barn on the Norris farm burned on the Sunday afternoon following his disappearance. He was traced throughout the county to the vicinity of Homer, and several farmers there reported that he had stayed in their barns, and burnt matches were found in some of the barns.

In one other barn, on the Lucy Inlow farm near Manilla, a fire had

## MRS. SARAH PRICE IS DEAD OF CANCER

Widow of the Late William Price Succumbs Tuesday Night Following a Long Illness

### FIVE CHILDREN SURVIVE

Mrs. Sarah E. Price, age 68 years, widow of the late William Price, expired Tuesday night about 10:20 at the family home, 222 West Second street, death being caused from a long illness with cancer.

The deceased was a native of this county, and was born near Milroy. She was a member of the Main Street Christian church in this city, and was well known. She had been bedfast for 17 weeks with her last illness, and her condition has been regarded serious for several days.

She is survived by five children, who are Mrs. Lola Havens, Mrs. Ethel Horral and Orla Price of this city, Erba Price of Ft. Wayne and Vernie Price of Indianapolis. Three sisters and two brothers also survive, who are Mrs. Joe Green and Mrs. Eliza Rogers of near Milroy, Mrs. Nannie Price and Jacob Horland of Lebanon and Samuel Horland of Greensburg.

The funeral services will be conducted Friday afternoon at two o'clock at the late residence in charge of the Rev. L. E. Brown, with burial in East Hill cemetery.

## BUSY ON LAST DAY OF MONTH

Firemen Answer Three Calls, Two Of Them False, Tuesday

Tuesday, the last day of October, was a busy one for the fire department, when three runs were made to various parts of the city. The first call was in the morning to 832 N. Arthur street, where a house was reported to be on fire, but smoke coming from burning leaves was believed to have caused the woman who telephoned the message, to think that the house was on fire.

The second call was at 5 o'clock in the afternoon, when a loss estimated at \$3800, took place in two down town business houses. The third call was last night at 11 o'clock from box 46, corner of Seventh street and the Big Four railroad, which proved to be false, and which was assigned to Halloween celebrations. The run last night, marked the fifty-first for this year, and breaks all previous records for any single year.

## PATRONS WARNED OF MAIL FRAUD

Postal Authorities Here Call Attention To "Prize Offer" From Several Fictitious Firms

### CARDS ANNOUNCE "WINNERS"

Received By Many Rushville People Who are Asked to Send 98 Cents for Packing and Postage

Local postal authorities today issued a warning about a fraudulent scheme that has been worked on several persons in Rushville and Rush county through the mail, and advised all patrons of the postoffice to scrutinize carefully all offers of "prizes." If such offers are received from a list of fictitious firms, patrons are warned not to be beguiled into believing that they are of the "chosen few" who have been "selected" to receive the prizes.

The Rushville postal officials asserted that a number of cards have been received by local persons advising them that they are winners in a prize contest that has been conducted by the firm, named on the card. The "winner" is instructed to send 98 cents to the firm to cover the packing and postage of the "prize", which will then be sent to the winner. Several persons, lured by curiosity have complied with the instructions on the cards, it was stated at the post-office today, and so far have failed to receive the coveted award.

The cards are being signed by the following names: The American Jewelry Co., Commercial Jewelry Co., United Silverware Co., Radiant Diamond Co., International Silverware Co., Premium Dispatch Co., Oriental Diamond Co., Radiant Diamond & Silverware Co., Canadian Silverware Co., Crown Silver & Jewelry Co., Hawaiian Diamond & Jewelry Co., and the Community Sterling Co.

According to the local authorities an investigation has been conducted are no such firms in existence as by the Federal authorities and there these names. Any person who receives a card which is signed with the name of any of the firms should turn the mail over to the local authorities, said the post master.

## WAGONER NAMED TO STATE SCHOOL JOB

(By United Press)  
Indianapolis, Ind., Nov. 1—W. E. Wagoner of Rushville was appointed assistant state school inspector today by the state board of education to succeed Leroy Scoles whose resignation will become effective November 7.

Mr Wagoner is superintendent of the Rush county schools, to which position he was elected in August, 1921. His new position will take all of his time, and it was stated this afternoon that he would hand his resignation to the county board of education soon.

## FORGET-ME-NOT DAY IS ENDORSED

Mayor Approves Plans of War Mothers To Raise Funds for Disabled Veterans of World War

### FORGET-ME-NOTS TO BE SOLD

First Arrangement To Sell Tags Is Abandoned When Supply Of Flowers Is Assured

Walter R. Thomas, mayor of Rushville, today endorsed the plan of the War Mothers to observe "For-Get-Me-Not Day" here next Saturday, in common with cities all over the United States, to raise funds for the disabled veterans of the world war. He stated that the movement had his hearty approval and expressed the hope that the people of the city and county would liberally support the cause which is nearest the hearts of the mothers whose sons fought in the world conflict.

The War Mothers had originally planned to sell tags on Saturday as one means of collecting a fund, in view of the fact that a supply of forget-me-nots could not be obtained but it was learned today that the little blue flowers will be available and a supply will be shipped here from state headquarters of the War Mothers organization by Saturday.

An exchange will also be held by the organization Saturday in the room in North Main street just north of the Peoples National Bank, as another means of adding money to the fund. Donations of food to be sold at the exchange is not limited to war mothers, but will be acceptable from anyone, it was announced today.

America's wounded and disabled veterans of the world war are to be benefitted by the sale of the little forget-me-nots on November 4, when a mighty army of girls and women of the country will act as sales-people; and distribute to the citizens in every community thousands of the flowers.

In advance of "Forget-Me-Not Day", personal contributions to the fund will be sought, check and cash donations being canvassed by the local committee during the next few days. All remittances, either in check or cash, donations to the "Forget-Me-Not Day" fund, should be sent to the Peoples National Bank.

Business houses, stores and other mercantile establishments of the city are cordially invited to tender their contributions to the general fund, with assurance that such participation means an improvement in existing conditions, for the wounded and disabled men of the United States. The Disabled American Veterans of the World War, which is the national organization of the crippled war veterans, will administer the proceeds of Forget-Me-Not Day the organization having been endorsed in its activities by President Harding, the National Information Bureau, leading government and state officials, and numerous other authorities who have watched its progress with satisfaction. All wounded and disabled American veterans of the world war, regardless of their affiliation or non-affiliation with veteran organizations, will benefit by "Forget-Me-Not Day".

## BROKEN JAW IS REWIRED

Vern Mosburg, However, Is Improving From Accident Injury

Vern Mosburg, son of Mr. and Mrs. Thomas Mosburg of southwest of here, who was injured in an automobile accident Saturday night, in a machine with Alex Coons, was getting along nicely in a hospital in Indianapolis today. Mr. Mosburg, father of the injured boy, visited him today at the hospital, where it was necessary to rewire the broken jaw at the front. The severe break near the socket, is believed to be mending, but several days will be required in order to definitely determine the seriousness of the injury.

Alex Coons son of Mr. and Mrs. Lon Coons, who is in the Dr. Frank Green hospital here, suffering from a fractured skull, is recovering, and will soon be out of danger.

## FIRE CAUSES A LOSS OF \$3,800

Blaze Of Undetermined Origin Wipes Out Peters Brothers Tire, Battery And Vulcanizing Shop

### MILLINERY STORE DAMAGED

Loss In Both Business Establishments Covered By \$2,550 Insurance—Winstons Own Building

Fire originating in a tire, battery and vulcanizing shop, 111 West First street, caused a loss estimated at \$3,800 to the shop and a millinery store next door, Tuesday afternoon at five o'clock, and for a time threatened to do more serious damage, but was quickly under control by the firemen.

The vulcanizing and tire shop, owned by George and Hershel Peters, was completely wiped out by the flames, which had enveloped the entire room before it was discovered by the latter, who had left the place and returned after a twenty minute absence.

The millinery store in the room next to the east, owned by Miss Agnes Winston, the same one story building, was damaged more by smoke than from any other element. Firemen prevented water from reaching this store, excepting in the rear, where a small amount of water was thrown.

The building, which is situated in the heart of the business district along West First street, is owned by Martin Winston and Miss Agnes Winston. The loss to the building is estimated to be about \$900 which \$750 in insurance is carried.

Of the entire loss of \$3,800, the parties were protected by \$2,550 in insurance.

Peters Brothers suffered the most severe loss. Their stock was valued at \$1,800, and \$1,000 insurance was carried. In addition to their stock, over 100 automobile tires, valued at \$800, a consigned shipment on hands, which were insured for \$800, were a complete loss.

Miss Winston suffered a total loss of about \$300 on her stock in the millinery store, as no insurance was carried. She stated that valuable plumes and hat trimmings at the rear of the store were injured by water, but the hats were not damaged to a great extent on account of the smoke.

The origin of the blaze is undetermined. When Mr. Peters opened the door, the entire place burst into flames, and a dense black smoke

## TO PLACE TABLET ON LOUISE FORT'S GRAVE

Friends of Late Visiting Nurse Have Marker Made to be Placed on Her Grave at Greenfield

### DESIGNED BY A LOCAL MAN

A memorial tablet, to be used as a grave marker, has been completed at the Schrichte Monumental Works in this city, and will be taken later this week to the cemetery at Greenfield, to be placed at the head of the grave of the late Louise Fort, Rushville's visiting nurse who died last summer.

The tablet is being contributed by several friends of the late nurse, as an appreciation of her work done in this city. The monument was designed by Gus Schrichte, as suggested by Miss Anna Bohannon, of this city. The foundation is a victoria white granite slab, with the top dimensions 28 by 16 inches. Imbedded in the top is a bronze tablet with an inscription.

The inscription on the tablet bears the following: "In memory of Mary Louise Fort, R. N. November 11, 1887—July 17, 1922. A Loving Tribute to her "Noble type of good heroic Womanhood," while our visiting nurse in Rushville Indiana, 1920-1922."

The memorial tablet is very appropriate and is different from the usual form. It is on exhibition at the Schrichte Monumental Works in South Main street.

Miss Helen Rifle, 17, of Near Milroy Presents What Is Regarded As Damaging Evidence

### DESCRIBES TRIPS WITH HIM

State Rests This Afternoon After Prosecuting Witness Spends Most Of Day On Stand

Miss Helen Rifle, the 17 year old girl of near Milroy, over whom the arrest of Dr. Elbert Morris was made October 4, who is being tried in juvenile court on a charge of encouraging and contributing to her delinquency, testified this morning on behalf of the state, and presented what is believed to be damaging evidence against the defendant.

The state finished with their portion of the evidence shortly after two o'clock this afternoon. Miss Rifle, the girl implicated in the case, occupied the stand most of the day. The concluding evidence by the state were alleged "love letters" purported to have been written by the defendant to the Rifle girl, while she was in Illinois during the summer.

The defense had only 2 witnesses and rested its case at three o'clock, after which the argument of the attorneys were expected to begin.

The former Milroy high school girl disclosed startling facts as to her conduct while in company with the defendant, who is a veterinarian of that town.

The girl told the jury that she had known him for eight months, and that she had become acquainted with him last March. The defendant is married, and has a family, according to the evidence.

The girl reviewed trips which she said she had taken with him in his automobile to various points, including Greensburg, Hillsdale park, Metamora, Brookville, Osgood, Napoleon and other places. She stated that since May, she was with him 3 or 4 times a week.

The witness directed the first part of her testimony to the night on which the defendant was arrested, and stated that Guy Jones drove out to her house and got her, and after driving around the country, came to a place where the defendant was in waiting.

She said that she got into his machine and Jones drove off. They conversed for a time, and she said that the defendant talked to her about a fight that he had had in Milroy with Carlos McKee, earlier in the evening.

## NO HOPE OF SAVING SIGHT

Operation Is Performed On Gus Davis's Eye In Indianapolis

Gus Davis, son of Mr. and Mrs. Charley Davis of this city, who received a severe injury to his right eye Sunday night when the machine in which he and three companions were riding, turned over, was reported today to be resting easy in the St. Vincent's hospital in Indianapolis, where he was rushed on account of the injury to his eye.

Dr. Morrison took four stitches in his eye ball, in order to close the wound, and it is believed that the eye can be saved, but there is practically no hope of saving the eyesight.

Robert E. Mansfield Praises Model Republic in Address Before Kiwanis Club Today Noon

### BASED ON OWN EXPERIENCES

Given Rising Vote of Thanks by Kiwanians for His Excellent Presentation of Subject

Robert E. Mansfield, nineteen years in the consular service of the United States government, addressed the Kiwanis club today noon at the Social club regarding his experiences and observations while in Switzerland, where he spent several years.

The club discussed plans for a minstrel show that will be given the latter part of this month and took up other matters of business. Omer E. Trussler presided at the meeting and guests of club members included Mayor James L. Clifton of Connersville, democratic candidate for congress; Charles E. Reddington, a road contractor of Greensburg; and Dr. R. O. Kennedy, Roy E. Harrold and Herbert C. Flint of this city.

Following the address by Mr. Mansfield, he was given a rising vote of appreciation for the forceful presentation of the subject of his talk. He emphasized the fact that Switzerland was the best example of a republican form of government in the world, and that it was 200 years old and past the experimental stage when America was discovered.

Mr. Mansfield praised the thrift and industry of the people—how they imported all of their raw products and still built up a foreign trade of \$650,000,000 a year. He dwelt upon their habits, traits of character and customs, some of which are very quaint.

Mr. Mansfield said that he had a deep affection for the people of the little republic, because of their sterling characteristics, but asserted that living for almost two decades outside the United States has only served to make a better American of him.

The speaker said that their natural barrier of mountains and their compulsory military system made it possible for the people of the Switzerland to maintain their natrality during the war.

He used lavish terms to describe the marvelous scenery of the little country, which is only half the size of Indiana, yet has a population of 350,000.

Mr. Mansfield declared that the tourists trade brought in a revenue of \$150,000,000 a year and that the hotel business alone had reached the level of an industry.

## HALLOWE'EN NIGHT PASSES VERY QUIETLY

Police Report That No Serious Damage Done In Rushville—Many Masked People On Streets

### USUAL FALSE FIRE ALARM

Hallowe'en night passed quietly in Rushville last night, according to police, who reported that no serious damage was found in any part of the city, and masked people flocked on the streets early until late at night.

Many parties were held and other social events called out the masked people in large numbers. A dance at the Elks club was largely attended, and other large gatherings were reported at the skating rink and the Knights of Pythias hall.

Minor acts of vandalism, which always take place on Hallowe'en were reported. Country roads did not escape the "imps" as motorists frequently found obstructions along the roads, which always prevail on this night.

The usual false fire alarm call was sounded at 11 o'clock from box 46, in West Seventh street, at the Big Four railroad, and the firemen are aware of the fact that the night could not pass without a call.

**HEAD STUFFED FROM CATARRH OR A COLD**

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

**Do You Have Pains or Backache?**

Read What This Woman Says About It:

South Bend, Ind.—"Dr. Pierce's Favorite Prescription is the only medicine I ever found that gave me any relief. I was suffering for some time with inward weakness. Through this I became a nervous wreck and was so weak and 'all in' I could not do my work. I had backaches and pains in my sides. Neither the doctor's medicine nor any other seemed to touch my case or give me any relief. I at last decided to take Dr. Pierce's Favorite Prescription and from the first it seemed to give me new life. It completely relieved me of my weakness and improved my general health in every way."—Mrs. A. Hapner, 527 E. Monroe St.

HALLOWE'EN ECHOES

New York—Not even hallowe'en is an excuse for a man and woman to exchange clothes and walk in the streets, Patrolman O'Neil ruled. The Judge backed him up when he pinned Mr. and Mrs. Axel Berthelson.

New York—Presence of a cow in the speakers resting room at Carnegie Hall still puzzles the authorities. They know about hallowe'en but where did the prankers find the cow.

Chicago—It took the entire force of police reserves to quell the riot which started last night when Hallowe'en merry makers rolled a flaming fruit peddlers cart on the car tracks. Conductors who attempted to remove the flaming vehicle were pelted with tomatoes and the fight was on.

Indianapolis—An Irish song sung by some one at a Hallowe'en party last night started some Greeks and Italians in a free for all cutting afray.

Indianapolis—Revelers stole six automobiles last night including one driven by Captain Michael Glenn, head of the police department.

Albany, N Y.—William Small felt so good after his hallowe'en party that when three gunmen attempted to hold him up early today he sailed into them and captured one.

Wilkesbarre, Pa.—John Creighton had to stay here all night. So much confetti was showered on his "flivver" by celebrators that it wouldn't run when he tried to start home.

Pittsburgh—"The shiek" was the favorite character and nearly every girl had one.

AMUSEMENTS

**At The Mystic Today**  
One of the finest pictures that has made its appearance here this season will be seen at the mystic today in William Fox production, "Honor First," starring John Gilbert.

The story, by George Gibbs, is a romance of the war, the scenes being laid in the trenches in France. It portrays the activities of two brothers serving in the French army. One, an officer, becomes panic-stricken in the face of an impending assault, and his brother saves him from disgrace by changing uniforms with him and leading his company to the attack. He is wounded and a beautiful love tale is wound around his mistaken identity.

Scenes of the latter portion of the picture are laid in Paris, in the Latin Quarter, along the River Seine and in an underworld cafe.

John Gilbert's work in the dual role puts him in the front rank of moving picture artists. His sudden transition from the craven state of the coward to the exalted condition of the hero is a piece of note worthy acting. The picture is worth seeing more than once. Not only is the story a clever one, written by a noted fictionist, but the photography and the direction are above par.

At the Princess Two Days

Included in the superlative east interpreting the Paramount special comedy "Is Matrimony a Failure?" which comes to the Princess Theatre today and Thursday is Philippee de Lacey, one of the most famous of all the French war orphans to reach this country.

Philippee is four years old. His father was killed in the trenches and his mother died in an air raid two days after his birth. For eighteen months following he was cared for by his aged grandmother in a dugout with only a straw pile for a bed. Mrs de Lacey who was at that time with the woman's Overseas Hospital, found him just as the grandmother was expiring, and was so attracted by his beauty that she adopted him. This beauty coupled with his natural histrionic ability, attracted a film producer and so striking has been his success that now he is a famous child screen actor.

Incidentally, it is to be mentioned that four other famous actors appear in this picture. They are: John Fox Jr., Newton Hall, Mary Jane Irving and Karl Brown, Jr.

Phillips Says He Will Explain Murder Of Which Wife Is Accused

Los Angeles, Calif. Nov. 1—Armon R. Phillips today declared himself to blame for the murder of Alberta Meadows and announced that he would make amends by telling the whole truth from the witness-stand at his wife's trial.

Mrs. Phillips is charged with beating Mrs. Meadows to death with a hammer. Phillips in the office of Bert Herrington, defense council, told of his conduct: I am to blame for it all," he said, "but I was not satisfied with the love and comfort of a good home. I am to right this wrong so far as I am capable by telling the truth at my wife's trial.

Attorney Herrington would not permit Phillips to outline the testimony he will give as a defense witness.

APPEALS FOR CLOTHING

Capt. T. F. Samsel of the local Salvation Army today made an appeal for clothing, stating that on account of approaching of winter, the calls are coming in for clothing. The officer stated today, "We want to be ready to render service to the needy. Therefore, if you have any clothing that is of no value to you, let us know and we will put it to use. Call 2259, and I will be glad to call for them."

SAYS LEAGUE IS STILL AN ISSUE

Albert J. Beveridge, Republican Senatorial Candidate, Warns Against Future Developments

STANDS AGAINST ALLIANCE

Declares That He Is Not in Favor of Having America Mixed With Entanglements in Europe

Vincennes, Ind., Nov. 1—A warning that the League of Nations in some form or another will be considered by the U. S. Senate during the next six years was given here last night by Albert J. Beveridge the Republican candidate for senator, who declared his opposition to any form of political internationalism. He pointed out how international bankers, sure to profit immensely by America's entry, were conducting an under-cover campaign to drag the U. S. into the League, and he added that the only safe course for America was to elect men, who oppose all political entanglements with Europe.

Mr. Beveridge's speech here was the second on the same object delivered during the day, the first in the afternoon at Washington, pointing out the conflicting statements of the Democratic politicians on the League, which he said was apparently the crowning one of the campaign.

"Democratic office seekers in Indiana tell us over and over again that the League of Nations is not an issue "in this campaign", said Mr Beveridge, "and these same democratic office-seekers at last, but with hesitation, have also said that they would favor the cancellation of the \$11,500,000,000, debt which European nations owe us. But is anybody deceived by such talk which plainly is for campaign purposes only?"

"Everybody now knows that the determination of the international financiers is as strong as ever it was to entrap solvent America into political combination within solvent Europe; and everybody who reads and thinks, now knows that the plans of this international cabal are being advanced as subtly, and secretly today as they were advanced openly and brazenly two years ago.

"If these men could count upon a majority of the American Senate, and the cooperation of an American President, at any time during the next six years, does anybody doubt that we should find ourselves chained to the League of Nations in some form?"

"It is, therefore, vital that nobody should become an American Senator during the next six years who believes or ever did believe in the League of Nations or any other form of political internationalism.

"Yet two years ago my honorable opponent was the most outspoken Indiana supporter of the League of Nations, excepting perhaps, his most intimate associate and influential friend, Mr. Thomas Taggart.

"Of course, so sincere and persistent a man has not changed his views so quickly, especially since his opinion was so strong and expressed with such vigor.

"In some form or another the League of Nations is bound to be considered by the Senate during the next six years. Again I repeat the solemn warning of the late Senator Knox of Pennsylvania, who understood the methods of the men and interests back of this international plot better than any other American. I have repeated three or four times the words of Senator Knox to me; but what he said is so important and in view of recent developments, so prophetic, that his statement ought to be repeated constantly by every American man and woman.

"The words of Senator Knox to me were that 'certain men and interests will get us into the League of Nations if they have to pull us in by the coat tail through the back door.'

"Senator Knox said to me that these men and interests will never let up as long as they have the faintest possibility of a hope; and that it would be necessary to defeat them time and time again, no matter what the form and manner of their attacks.

"So let us beat them now even more decisively than we whipped them two years ago."

IS SENT TO HOSPITAL FOR CRIMINAL INSANE

Wake Smith Of Albion Is Found Guilty Of Murdering Brother But Escapes Prison Sentence

DESCRIBES OWN EMOTIONS

Albion, Ind., Nov. 1.—Wake Smith who shot his brother Clark last April will not spend the rest of his life behind prison walls. Instead authorities were making arrangements today to take him to the hospital for criminal insane.

A jury late yesterday found him not guilty of first degree murder after four hours of deliberation. It was one of the shortest murder trials in Noble county history, having opened Monday morning.

The youth shot his brother following an argument over making bread. Clark died almost instantly. Umphrey Smith, the father, testified he had watched for years believing his mind to be affected in some way.

Wake claims to be a student of psychic research. He tried to describe the emotions of a murderer—his emotions after the shooting.

"When excited I am affected in a strange way," he said. "I have never been strong minded. I am of nervous disposition. My mind is left in a jumble.

"There was no premeditation on my part. I loved my brother dearly I am not likely to do harm when excited, but afterwards."

poored out the door and through the roof. Miss Winston was in her store at the time, and did not learn of the blaze until Mr. Peters opened the door.

The alarm was telephoned to the department, and the location was said to have been given in the wrong block, which caused the fire trucks to go down a square but they quickly reached the place and soon had four lines of hose directed on the fire.

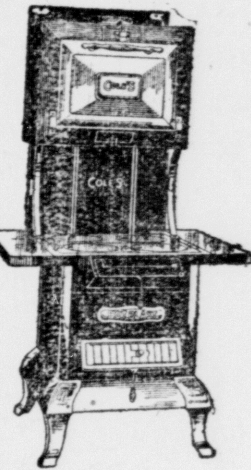

TO ATTEND DEDICATION

The Rev. C. T. Parker of the Wesley M. E. church will speak at the Salvation Army Hall at 7:30 tonight. His subject will be "Jesus Christ a Complete Saviour". There will be no service Thursday night on account of the dedication of the Salvation Army Hall at Shelbyville. The local group will go to Shelbyville to participate.

Herbs Used in Medicines

A Manchester, England, paper urges the renewed cultivation of old-fashioned medicinal herbs in English gardens. In the United States they have also gone out of fashion as a feature of the small garden, although they are imported in large quantities from Turkey, India and China, where they are grown purely for commercial purposes, as their medicinal value is recognized by many leading physicians. Tons of Medicinal herbs are used annually in the preparation of Lydia E. Pinkham's Vegetable Compound, a most successful medicine for woman's ills. It contains no narcotics or harmful drugs, and women afflicted with such ailments should try it.

Farmers and Finance

The story of the war finance cor-  
poration, and its revival, which re-  
sulted in preventing thousands of  
farmers from going bankrupt, is an  
interesting one because it is only  
one of many illustrations of the  
steps taken by the administration at  
Washington and the last congress to  
bring about a return of normal con-  
ditions and restore prosperity.

The war finance corporation was  
created originally to help finance ex-  
ports and in 1920 its activities were  
terminated by the secretary of the  
treasury. When farm prices began  
to crumble later in the year, efforts  
were made to persuade the admin-  
istration to revive the corporation,  
but such attempts were denounced  
as agitation to maintain prices.

When congress met in December  
it promptly passed a resolution di-  
recting the secretary of the treasury  
to revive the War Finance Corpora-  
tion. This resolution was opposed by  
the secretary and when passed it  
was vetoed by President Wilson.  
Congress promptly passed the resolu-  
tion over the president's veto, but  
the corporation did not function ac-  
tively until the new administration  
came in in March 1921. Later in the  
summer congress authorized the cor-  
poration to carry financial help di-  
rectly to domestic agriculture. This

help was given through the banks.  
It had to be. There was no time to  
set up the machinery for loaning to  
individuals. Banks in agricultural  
states were overloaded with farmers'  
notes which could not be paid with-  
out great sacrifice. The war finance  
corporation took these notes from  
the banks as collateral for loans.  
This relieved the banks, enabled  
them to carry their farmer custom-  
ers and to loan more freely. Within  
a few months 7,000 loans were made  
to banks in agricultural states,  
amounting to more than \$200,000,  
\$84,000,000 was loaned direct  
to live stock companies and banks  
upon live stock security; \$64,000,  
000 was loaned direct to farmers  
cooperative marketing associations.

This stream of new money flowing  
into the agricultural states helped in  
two ways. It relieved the financial  
tension and undoubtedly saved hun-  
dreds of banks from going into the  
hands of receivers and thousands  
of farmers from going bankrupt. Al-  
so it brought renewed confidence.  
Money at once became easier to bor-  
row. The sacrificing of grain and  
live stock was in part checked. The  
hope of the farmers was renewed.

If the activities of the War Fi-  
nance Corporation had not been sus-  
pended in 1920, it is reasonable to  
believe that prices of farm products  
would not have dropped as far as  
they did. It is not fair to say that  
all of the trouble would have been  
averted, but certainly some of it  
might have been avoided.

Current Comment

No Fair Weather Friend  
(Washington, Ind. Herald)

James E. Watson of Rushville,  
senior United States Senator from  
Indiana, has come to us for many  
years, no matter whether it was po-  
litical sunshine time or rain. Watson  
is no fair weather friend. When the  
storms beat most savagely, then is  
when Jim Watson's presence in de-  
fiance of adversity is most conspic-  
uous. He was the rock of faith a-  
round whom the Daviess County  
Republicans rallied in the gloomy  
days of party disension, and by him  
and for him Daviess County always  
has stood, as firm as the foundations  
upon which are planted to feet of the  
saints of the Lord. Therefore when  
Senator Watson stepped in front of  
his audience here, he faced men and  
women who hold him much more in  
esteem than merely that respect in-  
voked by a senator of the United  
States honored because of his ex-  
alted place. They greeted him even  
as a friend and neighbor, for he is  
both.

James E. Watson, since his entry  
into public life, has grown from a  
young lawyer of Indiana into a most  
noteworthy figure of our national  
political life. He today is one of the  
most influential men in America not  
only because his senatorial office, but  
for the reason that he is one of the  
best informed men in the whole  
country and has an acquaintance as  
general as the country is wide. In  
legislative conferences, in party  
councils, wherever the public wealth  
is discussed in large measure, James  
E. Watson's advice is eagerly sought  
and confidently followed. He is one  
of the few who are correctly classi-  
fied as the big men of the nation.  
He is more than an eloquent spokes-  
man for his party, he is a sound and  
trustworthy counselor, a man with  
a broad view of the responsibilities,  
hopes and ambitions of the Republic.  
In the Senate he is the real leader  
of his party, not technically so, but  
actually.

None of us may more than es-  
timate the future and make predit-  
ions more or less shadow and un-  
certain of fulfillment. But there is  
no man in the United States whose  
position before the people more just-  
ifies expectation of continuing poli-  
tical distinction and greater ad-  
vancement than Watson of Indiana.

RECORD CROWD IS DUE FRIDAY NIGHT

Rushville and Milroy Will Pry Off The Local High School Basketball Season

CURTAIN RAISER AT SEVEN

Rushville Seconds Will Meet Arlington First Team—Band Warming up For Season

A record crowd for the basketball game Friday night at the Graham Annex is expected, when Rushville high school will pry off the lid for the season, when they meet Milroy in the big contest of the evening, and the second team from the local school will tackle Arlington first team in the preliminary game, which is scheduled to start at seven o'clock.

Milroy and Rushville always have attracted the largest crowd of the season, and for the opening game, the record for attendance will be established.

Principal E. B. Butler stated that the school officials were working on plans to handle the crowds, and that something definite would probably be reached and announced on Thursday night. No advance seats will be reserved, in order to give people from Arlington and Milroy an equal chance to secure seats, when the doors are thrown open.

Prof. A. M. Taylor, manager of the high school band, has been putting his players through extra sessions in order to have the band rounded in shape by the first game. He announces that the band this year will excel any previous organization in the high school, as 18 instruments are on the list, and will be in their places Friday night. The band this year also will accompany the team on all trips, and will no doubt be the only high school basketball team in the state which carries a band on the trips.

Coach Jones of the basketball squads has been putting the teams through rigid practice this week behind closed doors, drilling them on signals, passing and goal shooting. While the most perfect team in the world is not expected to make its appearance on the floor Friday night, yet the coach is confident that he can have a team that will match up with any, considering the short time that he has had charge of them, and from the vast amount of material from which he had to pick a team.

The main squad will consist of ten men Friday night, and all will probably be given a chance. The second team also has a world of material which they will stack up against Arlington in the curtain raiser.

With The Big Ten

**Chicago**  
Chicago started "pointing" for Ohio, Illinois and Wisconsin today Stagg drove his charges in a stiff scrimmage after a long "skull" drill in which he pointed out errors of the Princeton game.

**Illinois**  
Coach Bob Zuppke was looking for a punter and quarterback today. Bill Robinson looked like the best possibly for the quarter position by his work last Saturday but kicking material is scarce.

**Iowa**  
Light signal drill was the schedule for the early week workouts. Hard preparation for the Minnesota game will not start until the end of the week.

**OHIO STATE**  
Coach J. W. Wilce is trying to get fight into his men. The university band and half the students turned out last night to put pep into the practice. A radical shake up in the team was expected.

**Michigan**  
Second stringers were expected to bear the brunt of Saturday's battle. Yost probably will not risk his stars with the Wisconsin game only a week away.

**Indiana**  
Light work outs featured the opening practice of the week. The team was in good condition and fast rounding into form for the Notre Dame Saturday.

**Purdue**  
A shift in the varsity line up expected today. Coach Phelan planned complete reorganization of his team following the poor showing against Iowa.

**Minnesota**  
Hard scrimmage was started again Tuesday in preparation for the Wisconsin game Saturday. Minnesota was badly battered in the Ohio game and the coaches made Monday a day of rest.

**Northwestern**  
The Purdue is out to halt Illinois' air attack. Practically the entire scrimmage was spent in performing the defense against the aerial game.

Backyard Rabbit Hunting

Indianapolis, Ind., Nov. 1.—Backyard rabbit hunting is the latest thing in Indiana city sporting events in 1922.

According to reports at the state game warden's office rabbits are as plentiful in the city as in the country.

"One may hunt rabbits in the city but is prohibited from using firearms," officials of the state office explained.

(United Press Sports Editor)

New York, Nov. 1.—Penn State has been tentatively selected as the opponent of a Pacific Coast eleven, in the annual East-West football game at Pasadena on New Year's Day.

California University, apparently on the top of the Pacific Coast game again this season, most likely will receive the selection to carry the colors of the west into the game that has become established as one of the big classics of the season.

While Penn State is favored right now, it does not mean that Hugo Bezdek's team will be invited to make another trip to the coast, California alumni in the east would like to have Ohio State make the trip again and it is not unlikely that Cornell may be invited.

For a time it seemed that the big game would not be played this year due to a disagreement between the Tournament of Roses committee and the Pacific Coast conference over the financial arrangements.

California objected to the plan which gave the team nothing but expenses, while the committee profited immensely from the gate receipts.

After much discussion, the committee finally agreed to give each of the competing teams a guarantee of \$35,000 and to devote the remaining money to the payment of the new stadium at Pasadena.

Another family row came up when Stanford booked a Christmas game with the University of Pittsburgh. The Pasadena committee complained that this big game would take the edge off the New Year's classic and several members of the conference were lined up for support.

Stanford stopped the controversy with the threat of leaving the conference, if necessary, to stage the game.

SPORT CHATTER

New York—Five of last week's big football games drew 228,000 fans. Yale and the Army played to 76,000; Penn and the Navy to 50,000; Harvard and Dartmouth to 50,000; Princeton and Chicago to 32,000 and Penn State and Syracuse to 20,000.

New Haven—None of the Yale regulars were injured in the army game. The same team with the exception of Mallory, who has some boils, is expected to play against Brown this week.

New York—Thirty nine players are on the reserve list which the Brooklyn club has filed at national league headquarters. There are 15 pitchers, five catchers, thirteen infielders and six outfielders on the list.

Cambridge, Mass.—No records for attendance and receipts seem assured for the Harvard 1922 football season. More than 166,000 spectators have seen the first five games and the remaining games are all attractive. The receipts are expected to go beyond \$500,000.

White Plains, N. Y.—Gene Sarazen, America's golf champion, was exonerated of blame for running down and killing of an aged man with his automobile. Witnesses testified he wrecked a car trying to avoid the collision.

Paris—Challenges of Niles and Georges Carpentier to meet Battling Siki for the European heavy weight championship, have been accepted by the French boxing federation. Under the rules Siki must meet one of the challengers within six months regardless of the purse.

Sentiment in the Western Conference is against postseason and all intersectional games and if Ohio State should be inclined to look favorably on an invitation to play California again, the opposition of the conference might make it possible.

Jack Wilce, coach of Ohio State and one of the most responsible officials in the Western Conference, does not agree with the attitude that the intersectional games are not a good thing for college teams.

"When the opportunity is afforded to take a trans-continental trip during the holidays when scholastic work is not interfered with, I think it is a good thing for the players and for the game," Wilce said here last summer.

"The trip is an education in itself. It fosters better relationship between the athletes and it rewards the players who get very little compensation for long, tedious and many times painful hours of hard work."

While the "Big Three" already has entered into an agreement to leave all intersectional games off the football schedule in the future, it does not necessarily imply that the agreement will become permanent.

Alumni of Yale, Harvard and Princeton, living out of the eastern radius, may have something to say about the athletic policy, as they have in the past.

Other factors may enter into a reconsideration of the present policy also.

Yale, beyond doubt would like to get even for the defeat handed them by Iowa. Harvard and Princeton also may have some scores they would like to settle and the exalted position of the "Big Three", where they could force teams to come and play them in their own yards, no longer exists.

Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red-Blood-Cells. That's the Sure Way! S. S. S. Builds Blood-Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many men because they are under weight? Simply because to be under weight often proves

low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus energy, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1826, has meant to thousands of underweight men and women, a plus in their strength. Hollow cheeks fill out. You stop being a calamity-looker. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a peaky, bony face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

The Epworth League of Pleasant Ridge M. E. church will have a masque social Friday evening at the church. Each member is asked to bring a pumpkin pie.

The K. of P.'s and Pythian Sisters and their families enjoyed a delightful evening at their hall in West Second street. At 6:30 o'clock a bountiful pitch-in supper was served and the remainder of the evening was enjoyed with games and dancing. The music was furnished by the McGinnis orchestra.

Members of the Junior and Senior high school at Webbs were entertained with a masque social Tuesday evening. All the guests came masked and some were so thorough disguised that it was almost impossible to detect their identity. Games were enjoyed during the evening and ghost stories were told. Refreshments of popcorn, doughnuts and cider were served. Miss Wirt supervised the party.

According to the Connersville News-Examiner, Miss Elsie C. Ryman, daughter of Charles Ryman of near Rushville, and Alvin Clark, son of Mr. and Mrs. Benjamin Clark of Connersville, were quietly married

Sunday afternoon, at the Connersville Central Christian church parsonage, by the Rev. Jesse Guy Smith, in the presence of Mrs. Vesta Jackson and Mrs. Mary Kramer. Mr. and Mrs. Clark will reside in Rushville.

The Elks Hall was the scene of one of the prettiest dances of the season Tuesday evening. The dance hall was prettily decorated in keeping with the Hallowe'en spirit and the color scheme of orange and black predominated. Approximately seventy-five couples attended, including many out of town guests. Many of the couples were masked and provided much amusement during the evening. The Miami Lucky Seven orchestra furnished splendid music for the dance program.

The Woman's Missionary Society of the Main Street Christian church will hold their regular monthly meeting Thursday afternoon at 2:30 o'clock at the church instead of the home of Mrs. B. F. Miller. The hostess will be assisted by the ladies of the December division. The subject for discussion at this meeting is "The Other Americans". The program will be as follows: "Mary of Bethany," Mrs. R. O. Kennedy;

"Liberators of South America", Miss Anna Mullin; "Why Are We Different", Mrs. Jeanette Pugh; Music Mrs. Carl Behr.

Larline Council 296, Degree of Pocahontas, will hold their regular stated meeting Thursday night at 7:30 at the Red Men hall, and all members are requested to attend.

The Woman's Foreign Missionary Society of the St. Paul's M. E. church will meet at the home of Mrs. George Wiltse, 207 West Fifth street, Thursday afternoon at 2:30 o'clock. Mrs. McClannahan will have charge of the program.

A number of friends and relatives of Mrs. Joseph Cowing delightfully surprised her with a pitch-in supper Tuesday evening at her home in North Main Street. The guests were Mr. and Mrs. W. A. Green, Mrs. Lou Caldwell and daughter Laura, Miss Mollie Conner and Mr. and Mrs. Norm Norris.

Miss Hattie Emmons was pleasantly surprised in honor of her birthday Tuesday evening by thirty-five of her friends, at her home southwest of the city. The affair was in the form of a pitch-in supper and each guest came masked. A guessing contest was one of the features of the evening entertainment. After the bountiful supper was served, a delightful musical program was rendered by Miss Bernice Kelso, soloist, George Suess, piano, Miss Myrtle Foulon, Jesse Wouling and Ernest Linville, violins. Ice cream and cake were served at the close of the evening.

Over two hundred couples enjoyed the masquerade skate at the rink Tuesday night and competed for the prizes for the best costume. The ladies prize was awarded Miss Dorothy Personett and Charles Bennett was judged the best costumed man. While the skating ability was not supposed to enter into the contest there is no doubt that the grace of the winners had some influence on the judges. The capacity of the building was not sufficient to permit all who wished to view the contest, many people being unable to gain admittance. It is estimated that over a thousand were in attendance. Visitors were present from Connersville, Shelbyville, Greenfield and many other nearby points. Frank Abercrombie, Earl Osborne and Mrs. Nick Rusci bestowed the prizes which were a pair of nickel-plated skates for each winner.

Approximately one hundred and fifty guests attended the reception given for the Rev. and Mrs. H. W. Hargett at the St. Paul's Methodist Episcopal church Tuesday evening. The church parlor was very artistically decorated with beautiful colored floor lamps, bouquets of yellow chrysanthemums and red dahlias. While the guests gathered the A. P. Wagoner orchestra furnished splendid music.

At the door the guests were met by the reception committee, Mrs. Manly Pearce, Mrs. Robert Tompkins, Mrs. Will M. Sparks and Mrs. E. I. Wooden. In the receiving line were Mr. and Mrs. Lon Havens, Mrs. Minnie Abercrombie, the Rev. and Mrs. H. W. Hargett and daughter, Mr. and Mrs. H. G. Hackleman, Mr. and Mrs. George Wiltse, Dr. and Mrs. R. F. McClannahan, Mrs. George Davis, Mrs. Ed Poundstone and Harold Sentman.

Herbert C. Flint presided at the meeting. The program opened with a musical program. Mrs. Lilly Smith rendered a solo and Miss Vivian Harris played a cornet selection accompanied by Prof. Leslie Davis. Members of the choir also gave a selection. Mr. Flint welcomed the guests and was followed by talks by the Rev. L. E. Brown, of the Main Street Christian church; Douglas Morris, representative of the First Presbyterian church; the Rev. E. G. McKibben, of the First United Presbyterian church; Captain Samuel, of the Salvation Army; Dr. J. M. Walker, representative of the Methodist church at large. The program closed with a talk by the Rev. Mr. Hargett, who is the new minister at the church, succeeding the Rev. C. S. Black, who was sent to the New Albany M. E. church, at the last M. E. conference in Greensburg.

Following the program delicious refreshments were served and a social hour was enjoyed. O. P. Wamsley had charge of the musical program and Mrs. Sam Morgan was chairman of the decorating committee and aided in the success of the reception.

**FOR REMOVAL OF TONSILS**  
Mrs. Charles Baker underwent an operation at the Memorial Hospital in Connersville Monday for the removal of her tonsils. She is getting along as well as could be expected.

Dozen Others Injured When Cyclone Sweeps Webb City, Mo.

Webb City, Mo., Nov. 1.—One woman was crushed to death and nearly a dozen other persons were injured when a cyclone struck this sleeping town early today.

The storm came out of the north and destroyed thirty houses.

The dead woman had not been identified early today. The injured were being cared for in a local hospital.

The cyclone swooped down on the northeast section of the city but missed the business district. Damage was estimated early today at \$50,000.

## Farmers Kill Three Wolves In Northern Indiana Hunt

Warsaw, Ind., Nov. 1.—Farmers engaging in a wolf hunt on Earl Tom's farm, north of here today, killed two of a pack of seven wolves, that had attacked live stock here.

The wolves had killed thirteen sheep, belonging to Vern Brumbaugh and four belonging to Elbert Kraull. They had been hiding in swamps around northern Indiana lakes. They stole pigs or a calf or a few chickens occasionally.

## Interior Construction of Oven — Mascot Combination Range

JUST TURN ON THE GAS

Not a single extra motion is necessary in changing from one kind of fuel to another. The Mascot Combination is ready for the use of either gas, coal or wood; or all at the same time. When gas is used as fuel, it is ready for use when you turn on the gas. No damper, or triggers, no cold spot in oven when using coal or wood. The Mascot Combination Range surpasses other ranges in another important particular. Years of study by experts have perfected a gas oven that is incomparably more efficient than any ever before devised; at the same time the patented flue construction that put the Mascot Coal and Wood Range in a class by itself has been maintained intact. In the Mascot Combination Range, where coal or wood is used, the heat still goes all around the oven. So in the Mascot Combination the makers have fully realized their ambition to make a Range that would be the last word in efficiency in the use of gas, coal or wood.

Our years of study and experimenting with the Mascot Combination Range have resulted in the greatest achievement known in the manufacture of Ranges.

## WEEKLY STORE NEWS

From ALLEN'S

When you buy oysters in bulk do you always get a full pint or quart of OYSTERS? We sell them in cans and guarantee full measure of the freshest stock packed under sanitary conditions. A lady told us a few days ago that there were almost as many oysters in one of our pint cans as she had received in a quart of bulk oysters purchased elsewhere.

Our business on Churngold is increasing rapidly. The high price of butter is causing folks to try it that never used it before; usually they continue to use it. The price is 29c per pound.

Fendell Pure Self Raising Buckwheat Flour is well known to our old customers; you may have old fashioned buckwheat cakes without all of the trouble usually required and with no chance of failure. Per package, 18c.

Our Bulk Kraut is fine. Why not have a meal of kraut and weinerwurst one day this week. The kraut is 10c per pound; the weiners (Meier Bros., with no cereal) are 20c per pound.

San Marto Coffee is still the leading coffee sold in Rushville. We now have it in airtight tin cans at a cost of only two cents more per pound than the package.

If you are one of those unfortunates who can not drink ordinary coffee, we recommend our VACUUM coffee. By a special process in roasting, the injurious effects are removed while the flavor is all retained, per pound, 50 cents.

Our First Mammoth Cheese of the season will be on sale this week. Did you know that this cheese is made especially to our order? We contract for it in the Spring and the cheese is made in June when the milk is the best.

Our car of Potatoes is going fast. Better buy a bag or two while you can get both quality and price.

## Buick Service Protects Buick Owners Everywhere

Buick owners everywhere recognize this blue and white emblem of authorized service as further assurance of dependable Buick performance.

Experience has shown Buick owners that "authorized" service means a conscientious, helpful interest in the continued and perfect operation of their Buicks.

Authorized service is a guarantee of skilled labor from mechanics of long experience on Buick cars, and that every new part is genuine, factory-made of the same high quality as the original unit.

It is an assurance that the establishment is conducted to serve Buick owners first, last, and always in the way that will continue the dependable performance built into every Buick car.

## POLITICIANS MAKE EARLY PREDICTIONS

Leaders Of Each Party Speak With Much Optimism As Election Day Draws Near

### EACH MAKE STATEMENTS

Washington, Nov. 1.—Political leaders today began gathering together hopes of victory in the November 7 election, like harvesters gather grain and appraise their property.

The result was a series of predictions. Most of them outwardly were full of optimism, but all of them nothing specifically.

Cordell Hull, chairman of the democratic national committee said the democrats were assured of a victory in the congressional fight. The only question of doubt remaining, said Hull, "is the extent of the victory, predicting that every section of the United States will contribute a share. I do not hesitate to ascertain that every indication is that the democratic victory will be larger than the Republicans on the inside really believe their victory will be.

Senator Nedliff McCormick, chairman of the republican senatorial committee, issued the republican prediction. After asking the democrats whether they would repeal the tax and tariff laws, the arms conference treaty, the budget law and other republican measures, McCormick said, "the people of America in good conscience and good sense will not vote to block the economic recovery of America by returning the democrats to power.

Predictions of sweeping gains were issued by wet leaders who announced that their power is a total of 249 candidates from house and senate. This is an addition of more than 20, to a list formally issued.

## Rev. B. M. Bridges Gives Facts In His Case

It is doubtful if there has ever been a medicine endorsed by so many ministers of the Gospel as has Tanlac. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their indebtedness to the Premier Preparation for the benefits they have derived from its use.

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known and beloved Baptist preacher residing at Mooresboro, N. C., whose statement follows:

"Tanlac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a run-down condition. For ten years past I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest.

"It seems that I took nearly everything trying to get myself right, but nothing helped me until I ran across Tanlac. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has built me up wonderfully."

Tanlac is sold by all good druggists. —Advertisement
